

WHO'S DEVELOPING YOU?

Established in 2008, the Pittsfield (MA)-based **Dulye Leadership Experience (DLE)** connects professionals from diverse industries, positions and organizations in the Berkshires and beyond through in-person and virtual learning and networking opportunities.

The DLE is a **constant source of inspiration** through its high caliber programming and inclusive, supportive community. Gain advice, introductions and opportunities for career ownership.

100 North Street, Suite 402
Pittsfield, MA 01201

Operated as a philanthropic organization, the DLE is managed and underwritten by **Dulye & Co.**, an impact-driven leadership development and workforce engagement consultancy owned by DLE Founder Linda Dulye.

through these DLE
resources

The one-hour DLE Culture Chat is a business-oriented open forum that examines changes and challenges in today's workplace. Broaden your perspective through moderated group and breakout sessions that deliver respectful conversations and actionable takeaways.

The DLE Breakfast Club features a free-flow exchange in a virtual setting about topics that promote personal well-being and professional growth. This 60-minute, small group experience delivers diverse insights and builds relationships of mutual value.

This 24/7 learning platform is stocked with videos and podcasts that reinforce the essential skills and leadership behaviors for career success.

GIVE BACK DAY

OCT. 2, 2021

DLE VOLUNTEERS RAISE SHOVELS AND PLANT 154 MUMS ALONG SEVERAL BLOCKS IN THE HEART OF PITTSFIELD, MA'S BUSINESS DISTRICT

National experts share their research, tools and playbooks in high impact training programs, designed to expand your capability to lead, inspire and achieve career ownership. Question and answer opportunities supplement formal presentations to help you gain the clarity and confidence to actively manage your career.

This immersive, in-person retreat will help you polish your professional brand, map out career goals and diversify your network. Learn from C-level executives and rising leaders in private, public and non-profit industries, and leave with a game plan to make a significant impact where you work and live.

Stay in the know about the DLE's distinctive professional development programs and expansive network with our official newsletter, the HUB.

Community Outreach

Core to our mission is giving back to help others move forward. Participate in our year-round volunteer projects with non-profit and government organizations that change lives and communities for the better.
